

Lab Events and Meeting Schedule

Meeting schedule for 2025/2026

The meetings are open to all members of the lab, and attendance is expected for those who are actively involved in research projects. We will assign projects each semester and we will plan around your capacity and availability on a case-by-case basis.

Time 2pm. Room: CL1.03 Themis

W/C	Topic
02/10/25	Introduction meeting 25/26
